## NOTICE OF WORK

Skechers Corporate Headquarters Project  
October 5, 2021

Dear Residents and Businesses:

MCCARTHY BUILDING COMPANIES, INC., Contractor, will be performing the first phase of temporary shoring work in your area at the 3001 PCH jobsite. This shoring work will consist of placing underground vertical steel and concrete columns in the existing soil within the project limits.

**What:** First phase of temporary shoring work at the 3001 PCH Job Site in Hermosa Beach. *Shoring provides temporary support of structures during construction, providing stability that protects property, workers, and the general public.*

**Start/Duration:** October 11, 2021 for 12 weeks.

**What to Expect:** Increase in intermittent noise and vibration during working hours.

**Working Hours:**

- Weekdays, 8 a.m. – 6 p.m.
- Saturdays: 9 a.m. – 5 p.m.
- Sunday: No work

**Contact/Questions:**

- Mike Viveros (Project Manager), 949-355-6567, for a 24-hour response
- Max Iskra (Project Manager), 949-556-7049.

We apologize for the inconvenience this work will cause. Thank you for your patience.

Sincerely,

Mike Viveros  
Senior Project Manager  
McCarthy Building Companies, Inc.
